- Welcome and opening remarks Dan
- Welcome to Bruce Eskeberg—newest CIAC member
- Introductions All
1. **Council Activities**
 - Membership Report Dan
Reviewed “plan of succession”
 - Treasures Report Rob
Passed motion to support **Reno teams for \$5000** amount for 2018
Approx \$30K in fund at this time—we have collected about ½ of the annual Member contributions
 2. **College Update** John
Dean’s Distinguished Lecture: David Gray, Feb 6, 6pm
We’ll be sending out information about the Dean’s search schedule--
 3. **Department Update** Bill
 - Saeed has retired effective 1/1/2018 and Len Holm has gone to ½ time as of Jan 1
 - We’ll be filling those teaching responsibilities with affiliates and others
 - We finished our 10 years program review and “passed”
 - We learned from our Program Review that we need to makes some changes to our Masters program and update our department “goals”
 - We are presenting at the ACCE conference in AZ—CIAC members will be attending and making a presentation about leadership transition of Industry Advisory Councils
 4. **Masters Program** Bill/ Aziz
 - Professor Aziz will talk a bit about the current Masters program and then discuss things from industry perspective
 - Began a Linked In campaign to get the word out about our Masters program
 - Discussion:
Graduate vs. undergraduate degrees—probably not a salary bonus in industry for a Masters
What does the Masters program “do” for students?
What is the certificate vs. Masters differential?

W

Discussion ensued...

5. **Presentation for Jeff Ottesen, PhD CM Candidate**—looking for volunteers for his research jottesen@uw.edu –he needs between 30 minutes and 2 hours of your time
